Actually, are you hosting this meeting as previously discussed? With the Administrator just dropping by for 15 minutes?

Hi Alison,

I just learned that regarding the 25th, we are booked in the morning with a press event with all the participants and hopefully some congressional members. That would leave us open anytime after 2:30 (Im assuming that we are done at 1:00 and then transport everyone to EPA HQ and get through security and ready to meet at 2:30. Hopefully this is ok. Please let me know if you have any concerns or questions. Thanks again and I look forward to hearing from you. All my best,

Hi Wayne,

I wanted to let you know that I'm working with CEQ on a time for this meeting on the 25th. Unfortunately the 26th will not work for the Administrator, so our focus is the 25th. I will be in touch once I hear from CEQ, let me know if you have any questions.

Thanks,
Alison

Subject: Meeting Request to meet with Administrator McCarthy and Senior EPA Leadership on Feb 25 or 26 at EPA HQ

Hi Arvin,

I hope this email finds you well. On behalf of several Alaskan groups and stakeholders associated with the protection of Bristol Bay, we respectfully request the opportunity to meet with Administrator McCarthy and senior EPA leadership to express their appreciation for finalization of the Bristol Bay Watershed and to follow-up on their original request for action to protect Bristol Bay. If at all possible, we would also like to request that CEQ (e.g., Mike Boots, Jay Jensen, Rohan Patel, etc.) be invited to participate in the meeting (perhaps we can discuss the mechanics of this CEQ request i.e., should we also submit a formal request to CEQ to join the meeting or is it ok for you to request their participation). This group is rather large and it would be greatly appreciated if the group didn't have to travel between Ariel Rios and Jackson Place.

I recognize that the Administrator meets with many people of different views on this matter and believe it important that she has an opportunity to hear directly from people who live in the region and/or those who subsist and/or earn their livelihood

from the fishery. As always, we greatly appreciate any assistance you can provide. Please let me know if you need anything further to process our request or if you have any questions or wish to discuss this matter further. Thanks again and I look forward to talking with and seeing you again soon. All my best,
